Shellfish Sanitation and Management: Maine Department of

Strong operations and maintenance (O&M) programmes underpin the effectiveness and sustainability of drinking-water supply systems. Water safety plans (WSPs) are a valuable tool to strengthen O&M programmes to ensure that water safety and service delivery targets are consistently met and that public health is protected.

WHO | Water sanitation and health

Sanitation refers to public health conditions related to clean drinking water and adequate treatment and disposal of human excreta and sewage. Preventing human contact with feces is part of sanitation, as is hand washing with soap.

Sanitation - Wikipedia

NSF International. Founded in 1944, our mission is to protect and improve global human health. Manufacturers, regulators and consumers look to us to facilitate the development of public health standards and certifications that help protect food, water, consumer products and the environment.

Rules. This page contains links to statutes and administrative rules applicable to the Environmental Health Services Section. The rules are from Title 15A, Subchapter 18A of the North Carolina Administrative Code.

DPH: Environmental Health Section: Rules

Post-1949 history. An emphasis on public health and preventive treatment characterized health policy from the beginning of the 1950s. At that time the party began to mobilize the population to engage in mass "patriotic health campaigns" aimed at improving the low level of environmental sanitation and hygiene and attacking certain diseases.

Food Safety Tips for a Happy Holiday Season. Whether you are celebrating at home or dining out, there are simple steps you can take to keep you and your loved ones safe and healthy this holiday season.

Virginia Department of Health

The Department of Health's (DOH) Food Hygiene Inspection Program is risk-based. This means that those

facilities that pose a greater risk to the public becoming sick from consuming their product are inspected more often than those that pose a lesser risk.
