SAVAGE THE MIND n by Claude Lévi Strauss Chapter One THE SCIENCE OF THE CONCRETE It has long been the fashion to invoke languages which lack the terms for expressing such a concept as "tree" or "animal", even though they contain all the words necessary for a detailed inventory of species and varieties. But, to begin with, while these cases are cited as evidence of the supposed ...

The mind of a savage is cold. His thoughts are calculating, yet his heart is loyal. But what does it take to win his heart? Zaire Karter is a complicated man. He lives by his own rules and makes no apologies. He's the person who everyone turns to when they've run out of options, but when they can't pay up, the consequences are deadly.
