South African folk tales reflect the realities, often harsh, of the African landscape. Tales are rooted in nature elements and the animal kingdom. At the heart of the folklore is the necessity to communicate the need for generosity and cooperation between people. To impart the values of a community, was the main purpose of storytelling as it drew people together and strengthened bonds. These ...

From Benin to Ethiopia, from Morocco to South Africa, the stories here reveal uncomfortable and fascinating truths about who we are. In a world of rising nationalism and factionalism, of increasingly crude and reductive notions of identity, these stories insist on the complexity, intimacy and interconnectedness of African identities. Prepare to be amazed, challenged and enchanted.
