Credit Rating Agencies and Their Potential Impact on

The State of Fashion 2018 was created to provide a comprehensive view of the fashion industry. Its principal aim remains to lay out the interconnectedness of the entire fashion ecosystem across regions, market segments and product categories by distilling the industry's current and projected performance, and addressing the factors shaping and driving fashion today and in the year to come ...

The State of Fashion 2018

2017 was a year of contradictions for American consumers, based on Experian's eighth annual State of Credit survey. Higher average credit scores and higher debt offer reasons for both optimism and caution heading into 2018. A decade since the Great Recession crashed into the American economy our
