A Short History of the Missing Universe Astronomers have known where the universe's missing matter has been hiding for the past 20 years. So why did it take so long to find it? By Katia Moskvitch Illustris Collaboration Simulations of the universe's large-scale structure hinted at where the universe's missing matter might be. The cosmos plays hide-and-seek. Sometimes, though, even when ...

History. The Stillwater fire tower is located overlooking the Stillwater Reservoir and the Beaver River regions. This is in the Adirondack park, and the heydays of the park helped shape this vast wilderness. It seems that controversy has also been a shaping force here as well. As was the case with most of the Adirondacks, logging was the first forays into the virgin forests, save for a handful ...
