PDF | The recognition of the DP (diploma programme) for university admission is crucial for the development of International Baccalaureate (IB) schools and the expansion of the IB network worldwide.

(PDF) Struggling for recognition: access to higher

Struggling for Recognition posits that the drive for personal recognition is a prime motivation behind the pursuit of democracy. The book presents an alternative to the theories of social and political changes that fail to test the causal assumption they make about human psychology. The theory presented underscores a fundamental aspect of human nature: the pursuit of recognition, that is, the drive for positive self-esteem and status and the aversion of negative self-esteem and subordination ...
