

### **studies in late antique pdf**

"Expanding beyond the Roman Mediterranean to include northern Europe, Africa, and central Asia offers an exciting future for the field of late antique studies. The global perspective and innovative online format will make Studies in Late Antiquity a landmark journal for all scholars interested in comparative premodern societies."

### **Home | Studies in Late Antiquity**

The flourishing of late-antique studies in the last half-century has coincided with the rise of 'world history' as an area of academic research. To an extent, some overlap has occurred, particularly with Sasanian Persia being considered alongside the late Roman Empire as constituting an essential component in what we think of in terms of the 'shape' of late antiquity. Yet it is still the case that many approaches to late antiquity are bound up with conventional western narratives of ...
