successful management of mergers and acquisitions

mergers a success or failure. The literature often uses the term merger interchangeably with the post-acquisition integration process. In some cases, the literature also reports that merger management has much in common with JV management (Norburn and Schoenberg (1990)). The emphasis in this white paper is on what makes mergers work (in the post-acquisition phase) and includes the relevant ...

White Paper - Success in Mergers and Acquisitions

problem is the lack of commitment from top management to drive through the merger and little clear understanding of the cultural dimension of the merger. While value often appears to be created in the transaction itself, successful implementation

SUCCESSFULLY MANAGING INTERNATIONAL MERGERS AND ACQUISITIONS

In working focused with change management during a merger or acquisition, the integration process will become faster as elements such as employee willingness to change and their ability to do so will be kept on track during the process.

Change Management in mergers & acquisitions

investment bankers - who have much to gain from a successful M&A deal - will try to create an image of enhanced value. The market, however, eventually sees through this and penalizes the company by assigning it a discounted share price. We'll talk more about why M&A may fail in a later section of this tutorial. Varieties of Mergers From the perspective of business structures, there is a whole ...
