The Relationship Between Biblical Theology and Systematic

Systematic Theology by Wayne Grudem is a fair-minded, thorough text in systematic theology – the best I have seen in recent years in terms of convenient organization, clarity, and a willingness to tackle the most salient issues of the day. This is an admirable blending of the scholarly and devotional elements seldom achieved in academic books.

Systematic Theology: An Introduction to Biblical Doctrine

Systematic theology is a discipline of Christian theology that formulates an orderly, rational, and coherent account of the doctrines of the Christian faith. It addresses issues such as what the Bible teaches about certain topics or what is true about God and his universe. It also builds on biblical disciplines, church history, as well as biblical and historical theology. Systematic theology ...
